

Gold for Reserve Shiraz

Riebeek Cellar's Reserve Shiraz 2004 was awarded another medal at the annual Michelangelo International Wine Awards, held at Spier on Saturday night. The Gold Michelangelo medal is now proudly displayed next to the silver medals awarded by Concours Mondial and Swiss International Air Lines.

The charm of the Reserve Shiraz is in its complexity and excellent balance. Only the best quality grapes were used and the optimum fruit of this wine is finely balanced by maturation in a combination of French and American oak to ensure the subtle spice this wine is so well-known for.
