

## FRESH LOOKING MONTINO PETILLANT LIGHT INTRODUCES ROSÉ COUSIN

Riebeek's lovely light sparkling wine, Montino is wearing a fashionable new coat for the introduction of its brand new cousin.

The heart and stroke foundation approves the Montino Petillant Light for its lighter style and lower alcohol and now we have extended the range to include a Montino Petillant Rosé, natural sweet and with a low alcohol. Both of them are dressed in a freshly updated look and are available at the give-away price of R23 per bottle, ex-cellar or from our wine shop on the town square in Riebeek Kasteel.
