

# EXPRESSIONS OF CHENIN BLANC IN THE RIEBEEK VALLEY

The Chenin Blanc Association of South Africa will be hosting a celebration of Chenin Blanc and good food in the Riebeeek Valley during the weekend of 4 & 5 September.

We would like to invite you to attend one or both of these events in the beautiful, relaxed and informal ambiance of Riebeeek Kasteel and enjoy the versatility and great food-matching ability of these Chenin Blanc wines paired with the excellent food the Riebeeek Valley is renowned for.

The two events will each showcase six outstanding examples of Chenin Blanc expressing various styles of the cultivar matched with six dishes, especially designed and prepared by the Valley's celebrated chefs.

Zakkie Bester of Riebeeek Cellars, Irina von Holdt of Old Vines Wine Cellars and Callie Coetzee of Perdeberg Winery, all members of the Chenin Blanc Association, will present these tastings and highlight the differences in style and character .

For more details, call Mareli at 022-448-1213 and for accommodation options and more information on the Riebeeek Valley, please visit [www.riebeeekvalley.info](http://www.riebeeekvalley.info)
